REPORT OF THE DIRECTORS

The directors present their report and the financial statements for the period from 1 May 2013 to 30 April 2014.

PRINCIPAL ACTIVITIES

The principal activity of the company throughout the year continued to be that of engaging in and encouraging public discussion of the relationship between the state and the people by way of seminars, conferences and publications.

DIRECTORS

The directors who served throughout the period were:

Professor Harold James

Dr Sheila Lawlor

Sir Brian Williamson CBE

DIRECTORS RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the results for the period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report of the directors has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2014

1. PRINCIPAL ACCOUNTING POLICIES

ACCOUNTING CONVENTIONS

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below.

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

GOING CONCERN

The nature of the company's activities is such that there can be considerable unpredictable variation in the timing of cash inflows; in particular, the company is dependent on the support of the Foundation for Social and Economic Thinking (FSET), its other charitable donors and individual subscribers. In the experience and opinion of the directors, such support will continue to be forthcoming for the foreseeable future and, on this basis, they therefore consider it appropriate to prepare the accounts on a going concern basis. The financial statements do not include any adjustments that might arise from a shortfall in incoming funds.

TANGIBLE FIXED ASSETS

The cost of tangible fixed assets is their purchase cost, together with any incidental cost of acquisition.

Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a reducing balance basis over the expected useful economic lives of the assets concerned. The principal annual rates for this purpose are:

Office equipment	-	20% straight line
Computers	-	33% straight line

OPERATING LEASES

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the profit and loss account on the straight line basis over the long term.

CASH FLOW STATEMENT

Politeia qualifies as a small company under the terms of section 382 of the Companies Act 2006. As a consequence, it is exempt from the requirements to publish a cash flow statement under Financial Reporting Standard 1 (revised) "Cash flow statements".
